

## FREQUENTLY ASKED QUESTIONS

### 1. What is the Paralegal Cup?

The Paralegal Cup is the only mooting competition in the world that is exclusive to Paralegal students enrolled in a Certificate or Diploma program. The competition strengthens student advocacy and critical thinking skills by focusing on oral and written advocacy, professionalism, and resiliency.

### 2. What is 'Mooting'?

The modern activity differs from a mock trial, as moot court refers to a simulated appellate court or arbitral case, while a mock trial refers to a simulated jury trial or bench trial.

Moot court does not involve actual testimony by witnesses, cross-examination, or the presentation of evidence, but is focused solely on the application of the law to a common set of evidentiary assumptions to which the competitors must be introduced.

In most countries, the phrase "a moot court" may be shortened to simply "a moot" and the activity may be called "mooting."

### 3. Why participate?

This skills competition, referred to as a "mooting competition," allows paralegal students to network with senior paralegals and to develop their oral and written advocacy skills.

The purpose of the extra-curricular Paralegal Cup intercollegiate mooting competition is to create a unique academic opportunity for paralegal students to practise and refine their research, analytical and reasoning skills.

All of these career-based skills are invaluable in the legal profession. The competition provides a safe environment to develop these skills.
